Dear Mr. Collins,

We acknowledge the reception of your letter dated 12/30/2004 regarding Patent Application 09/740,925 and send you the complete set of amended claims in the appendix to this letter.

As claims 2 – 36 were not changed, we estimated it to be superfluous to reinclude them in the amendment.

The status identifiers were included as requested.

Sincerely,

Dr. Hans-Joachim Mueschenborn
